ORACAL® Black & White Orca Packs

Designed to make ordering Black and White, our most popular colours, simple and packed with cost savings.

Orca Packs are available in ORACAL® 651, 551 & 751.

ORACAL® 651 - Intermediate Calendered PVC film. Ideal for short to medium term applications for decorations, lettering and signage.

ORACAL® 551 - High Performance Calendered PVC film specially developed for cutting & plotter systems. Particularly suitable for high-quality vehicle graphics.

ORACAL® 751 - High Performance Cast PVC film. Particularly developed for high-quality vehicle graphics. With its conformable properties it is suitable for uneven and curved surfaces.
